

Your Data. Your Diet. Your Health.

*Join the NOURISH:
Autoimmunity Digital
Health Challenge!*

We are calling on the problem-solver community to design, develop, and implement cutting-edge digital health applications that bridge the gap between nutrition, symptom tracking, and daily physiological monitoring.

OPEN TO EVERYONE, INCLUDING:

- People living with and at risk for autoimmune diseases
- Advocacy groups
- Caregivers
- Organizations
- Scientists
- Healthcare professionals
- Dieticians
- Nutrition specialists
- Lifestyle medicine experts
- Software developers
- Engineers
